# Yufan Huang

---

## General Information

**Address:** College of Civil Engineering, Fuzhou University,  
No.2 Xueyuan Road, University Town, Fuzhou  
City, Fujian Province

**Email:** [yufanhuang@fzu.edu.cn](mailto:yufanhuang@fzu.edu.cn)

**Phone:** +86 13960917007

---

## Education

- PhD, Engineering of Civil and Mechanical Structural Systems, 04/2012-04/2015  
Department of Civil, Environmental and Mechanical Engineering, University of Trento,  
Italy
- MSc, Bridge and Tunnel Engineering, 09/2009-04/2012  
College of Civil Engineering, Fuzhou University, China
- BSc, Civil Engineering, 09/2005-07/2009  
College of Civil Engineering, Fuzhou University, China

---

## Work Experience

- Research Assistant 12/2015-Now  
College of Civil Engineering, Fuzhou University, China

---

## Research Expertise

- Bridge Engineering, Jointless Bridges, Earthquake Engineering, Concrete-Steel Composite Structures
  - Published about 15 technical papers, implemented 1 projects from Natural Science Funds of China (Research on Mechanical Performance of Jointless Bridge with Semi-Rigid Joints, No.51608125)
-
